

**lay your shirt flat out on the table.**

**With a marker, mark where you will cut your shirt, like in the picture.**

**This is what your shirt will look like once you cut it up.**

**where you cut the strips at the bottom of the bag, tie them together to bring the bag together**

**This is what your tote bag should look like once you finish tying, and you're then ready for decorating and embellishing it!**
