

Name: _____ Hour: _____

swap 2 and 3,
and 1 and 4! draw something
new in the center!

Instructions: Each box has a numbered tile. Those tiles are labeled to help us make our repeating pattern. Once we draw our image, we will cut out each of the four pieces, and rearrange them like in the image above. This worksheet has a box to help guide you where each tile goes to help us make our repeating pattern.

Try to fill in ALL large areas without positive space (subject matter)
